

HOOPS FOR HOPE

3-on-3 basketball for a good cause.

We are a group of **IB students** deeply passionate about **sports** and the **values** it promotes—respect, diversity, and community engagement. Through our organization, **Hoops for Hope** (www.hoops-for-hope.com), we aim to make a meaningful impact by organizing **3-on-3 basketball tournaments** for youth aged 10-18.

Our upcoming event will be held at **St. Catherine's** on **Saturday, November 16**, offering a fun, competitive environment that supports children affected by violence and war. Additionally, **funds** raised will go toward **two tandem bicycles** for adult **athletes at Ionas**, an athletics institution focused on the rehabilitation of individuals with disabilities (www.ionasoaka.gr).

As students, we currently cannot establish a direct fund for Hoops for Hope, so **please send contributions through:**
